- Discussion of commissioner process for review
- Established proposed timeline for compilation and consolidation, integration, and completion of drafts
Pathways Commissioner Meeting – June 10th, 2010

Pathways Commission Meetings

September meeting in Knoxville, TN
- Review progress to date on Commission report, address areas needing additional attention
- Scheduled for September 16-18 for commissioners, sponsoring group, and supply chain leaders

November meeting in Atlanta, GA
- Scheduled for November 4-6 for commissioners, sponsoring group, and supply chain leaders
- Necessary to coordinate efforts to complete Commission report, make progress on Phase 2 conceptual design and implementation plans

Next steps for Pathways

Phase 2
- Need a structure and strategy to get to Phase 2
  - Without implementation support, Commission report will not produce any results
    - Funding and personnel are challenges
  - Alternative support structures need to be considered
  - Discussions need to continue

AAA National Meeting
- Discussion of how to utilize the Pathways session at the AAA National Meeting most effectively
